a.

I am currently majoring in Accounting and plan to obtain a CPA license. After graduating, I am looking to start my career at an accounting firm.

b.

I am not very familiar with technical websites, but I have been using PowerPoint and Word to complete assignments.

c.

I am from Korea and have been living in the U.S. for three and a half years. I chose the University of Nevada because a friend recommended it while I was still in Korea, and I had always wanted to study abroad. I thought it would be easier to adjust to a new environment with my friend. I already earned a degree in Hospitality in Korea, so this is my second degree in the U.S. My favorite hobby is watching Netflix. My favorite music genres are pop and rap, and my favorite artist is Eminem. I really enjoy the Netflix series *Outer Banks*. Finally, I think IS 301 is a very important class, and I am sure it will be helpful in the business field in the future. I am very excited to learn on this course.
